

"Growing Godly Leaders"

### Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

# Short-Term Missions

*"As we touch the lives of Guatemalans, so too do they touch our lives. And we desperately need their lessons in love and life."*

## How do short-term mission teams make a long-term impact?

By participating in furthering the impact of over 20 years of community involvement in Guatemala! Come alongside Impact Ministries and our Guatemalan leaders. Many people have already experienced the life-changing effects of our Impact Trips. Who knows, the life you impact just might be your own!

## What will my short-term mission team do?

In addition to a variety of cultural activities designed to further your understanding of God's work in Guatemala, you will also work alongside the staff of Impact Ministries and participate in a variety of community outreach projects:

- children's ministry
- construction projects
- home visits
- devotionals and prayer ministry

Medical teams serve in our clinic or provide much need health care in remote mountain villages, while other professionals may have the opportunity to serve the community with their skills

## When can I go?

Impact trips take place from January to October each year, and are generally 11 days long

## How can I go?

You can form your own team, or join the annual Impact-hosted Sponsorship Team. Most of our teams are organized by schools, churches or special interest groups who want to serve together through Impact Ministries in Guatemala.

## How can I sign up?

See [www.impactministries.ca/teams](http://www.impactministries.ca/teams) for more information on leading a team or to apply

## Why should I choose Impact Ministries for my mission trip?

A short-term mission trip with Impact Ministries is a spiritual challenge to grow deeper in your Christian faith, and develop an appreciation for the historical and social challenges of the people of Guatemala, while considering your role in God's heart for the world. Impact Ministries has been hosting Impact Trips for over 20 years and we look forward to working with your team!
