

"Growing Godly Leaders"

Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

Sponsor a Child

"Fifth grader Nidia works hard to stay on top of her schoolwork. Nidia sometimes comes late to class because she has to help out with her siblings – but she always makes sure her little sisters make it to school, so that they can enjoy the breakfast provided there."

How does sponsorship impact a child's life?

Your sponsorship enables your child to attend an Impact Ministries school to receive an academic education and be taught to know and love the Lord!

What does sponsorship provide?

Your investment of \$49/month helps break the cycle of poverty and illiteracy for your child. Your sponsorship will help your child to have access to:

- a broad academic education at one of our Vida Christian schools
- a daily nutritious meal and vitamins
- medical care through the Impact Ministries Clinic for your child's whole family
- Christian discipleship and mentoring
- a school uniform and new shoes

Some of these services are funded through other gifts to Impact Ministries

How can I stay in touch with my child?

When you select your sponsor child, you will be prompted to create an account on Impact Ministries' online Sponsorsoft system. On Sponsorsoft, you can:

- view an information package about your child
- send messages to your child
- receive messages and photo updates

You will also receive a snail mail message from your child each year, and there may be opportunities to visit your child in Guatemala through an Impact Trip.

Other communication options are available for those without internet

Why should I sponsor a child with Impact Ministries?

At a Vida school, Christian teachers — many of whom were once Vida students themselves — are personally involved in your student's life on a daily basis. We reach out to your child's family and encourage them to be involved in a local church. Our leaders, teachers and support staff provide godly role models to help your child know the Lord and become all that He intends for them to be.
