

"Growing Godly Leaders"

### Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

# Support a Class

*"Dulce has 8 brothers and lives in a family with few resources. Her parents have recently separated, causing Dulce to move around the region. But school has been like a second home to her, and she's learning that God can fill the void that has been left in her family."*

### How does supporting a class impact children's lives?

Your sponsorship enables children to attend Impact Ministries schools to receive an academic education and be taught to know and love the Lord!

### What does my support provide?

Your investment of \$50/month helps break the cycle of poverty and illiteracy for the children in your class. Your support will help the children receive:

- resources for a broad academic education
- Christian discipleship and mentoring
- healthy nutritious meals and vitamins to help them learn better
- a welcoming environment with appropriate facilities
- care from teachers who support them holistically

Some of these services are funded through other gifts to Impact Ministries. We are looking for 10 supporters for each class.

### How can I connect with my class?

You'll receive:

- a class supporter package including a digital photo of your class
- the enthusiastic prayers of students in your class
- a yearly update from your class

You can:

- pray for your class regularly
- write your class online or by snail mail
- personally visit your class through an Impact trip

### Why should I sponsor a child with Impact Ministries?

At a Vida school, Christian teachers — many of whom were once Vida students themselves — are personally involved in your students' lives on a daily basis. Our leaders, teachers and support staff provide godly role models to help your child know the Lord and become all that He intends for them to be.
